

# GETTING STARTED WITH DEMOS

## Pre-demo set-up instructions

### UNBOXING

Congratulations! You have now received your demo headsets.

Apps available on the headsets will be based on what was requested.

Next you need to get set-up and prepare your headsets to demo.

Review the checklist provided in your delivery to confirm you have all the necessary pieces and accessories.

### GENERAL PREP

- Make sure all headsets are charged and ready to go
- Make sure controllers have adequate battery - 1 AA battery is required per controller

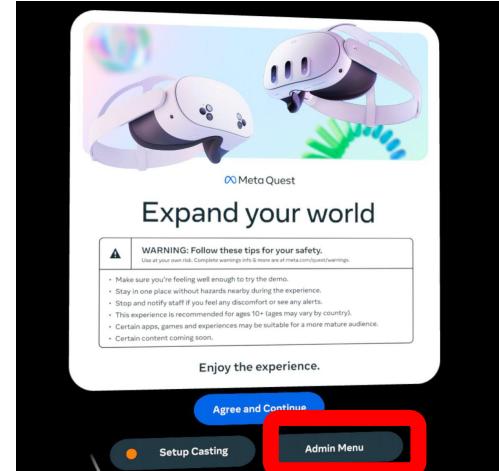

# GETTING STARTED WITH DEMOS

## Pre-demo set-up instructions

- Once headsets are charged, please turn on the device.
- Once the device is on, place it on your head.

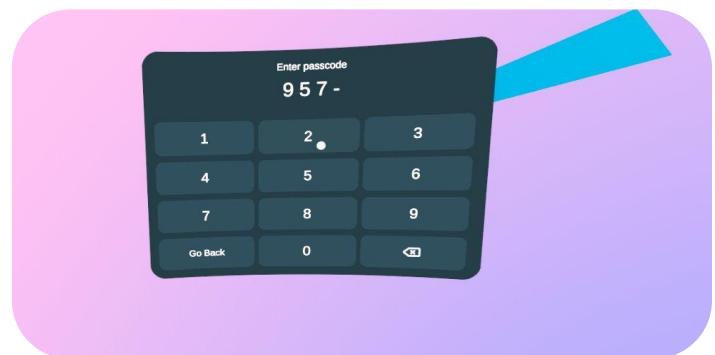

### 1. ACCESS ADMIN PANEL

- Using a controller, click on “Admin Settings”

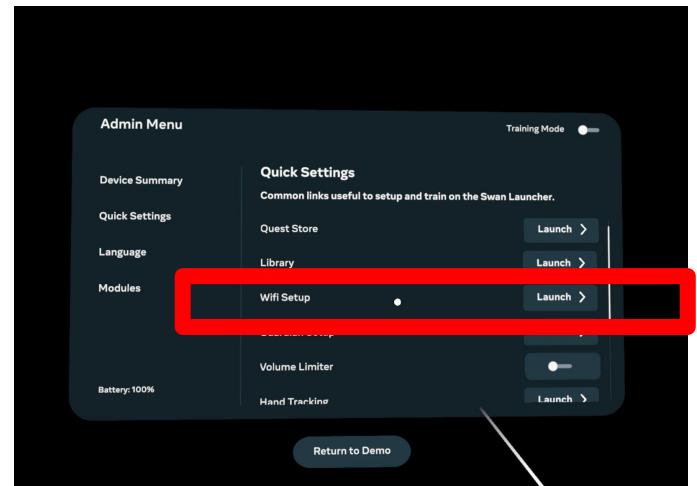

### 2. ENTER PASSWORD

- Input 9571

### 3. CONNECT TO WIFI (if needed)

- Navigate to Quick Settings
- Click on wifi set-up
- Select your network from the list
- Enter password and save!
